

I am very slowly starting to begin to heal.
Jesus christ is ~~now~~ working in my life now
to help me to heal, its a long, ~~long~~ painful at
times, road, but w/ him ~~we~~ can do it.

It has been uncomfortable for me to talk with you about this because ~~I don't~~ ~~think you~~ ~~be supportive~~ you played a big part in my abuse as well. I love you, you are my mother, but I can't deal w/ your denial and your selfishness. You have hurt me very much in my life. I won't go into it all now, but if you can think back to the things we've talked about in family counseling, that is a part of it. I don't want to be hurt anymore. ~~I don't want to be hurt anymore.~~

I am in a safe place now where I feel loved and supported, they are ~~the~~ Christians, ~~and we do focus on love, but~~ And we do focus on love, but also on sin. You would probably think that they were fundamentalist, but if you ~~don't~~ choose to, you could trust me and believe that they truly are just loving the Lord and obeying ~~his~~ His word.

I am not doing this to hurt you, it says in the ~~book~~ Bible to be sure your sins will find you out - and Dad's sins are definitely finding him out. You made the choice to support him and stay w/ him over and over again, so the consequences are yours as well.
